## Work with people you can trust

We've teamed up with Blue Nile, the most trusted and largest global marketplace for diamonds, to provide you a clear straightforward offer for your diamond jewelry. We determine the true retail value of your diamond based on Blue Nile's live diamond prices, and our detailed offer will show you exactly how we got to that price.

## Sit back and let us do the legwork

Our simple process allows you to sell your diamond jewelry from the comfort of your home with the greatest amount of transparency offered. You can avoid all of the hassles of navigating the complicated, opaque, and often unpleasant process of selling your diamond jewelry to pawn stores or jewelers.
